

[With the sincere gratitude and smile for the valued meeting with precious customers]

We, NY Prospect Co., Ltd., operate real estate agency business mainly in Bangkok and Sriracha area.

We introduce real estate properties such as housing, office and commercial premise for lease according to customers' demand.

Beside general real estate brokerage in Bangkok and Sriracha, and to respond to the customers' request for real estate business in whole Thailand including property investment.

We keep ourselves getting all kinds of the latest information regarding the related topics in both domestic and international through the relationships with our partners.

Needless to say that we ordinary support preparation for customers before move-in to the property, we make continuous support afterward, which makes the customers satisfied especially for those who try to find the housing to start a new life in Thailand.

We thank to all of our customers with word-of-mouth communication, we have been expanding our business performance with being appointed as the new agent at the timing of renewal from the other agents by the customers.

It causes a burden on normal work environment if problems occur to the life in a foreign country. To reduce and solve the problems promptly to lead comfortable life, we open NY Customer Service Center in October 2016. So far, we have received trust and acclaim from our customers in our services,

We always open the door to our customers to support.

Please feel free to contact us for any inquiries.

NY Prospect will be growing together with our customers for the future.

【NY Prospect keeps expanding with the gratitude for the owner】

NY Prospect promises to comply strictly with Owner's trust and try to work harder to build up more stable and trustful relationships with Owner under our company's motto "Bond, Reliance and Cooperation" .

We believe that it is the only way to keep ourselves growing to work harder on dedication to both Owner and Customer.

We continuously provide Customer with comfortable life in Thailand whenever any troubles would occur to Customer in the property with our new service (NY Customer Service Center), and Owner with reliable management for the properties.

To do so, Owner's cooperation is essential and very important for us. We grow up together with your understanding and cooperation now to the future.
